Introduction to Patient-Centered Medical Home

We are Partnering with your Primary Care Physician as they build your Medical Home. We share their commitment to effectively and efficiently co-manage your care over time. As your Mental Health Provider, we will be sharing limited or long-term management of your condition and provide advice, guidance, and periodic follow-up until treatment has been stabilized or completed.

Patient Expectations

- Play an active part in your own health care.
- Learn about your insurance, so you know what it covers
- Follow the care plan that is agree upon- or let us know why you cannot, so that we can help or change the plan.
- See your PCP on an annual basis for all preventative services.
- Keep your appointments as scheduled, or call and let us know when you cannot make it.
- Learn about wellness and how to prevent disease.

If you have after hour care needs, please contact your primary care provider to guide your care to the nearest urgent care or for advice pertaining to your health situation.

Please be aware that in the course of providing your care, your health care information may be shared among other health providers involved in your care, as appropriate.
